Dear Parents/Guardians,

This letter is to inform you that Parent/Teacher conferences will be on October 9 and 10 from 4:00-7:00. Parents will have an option to schedule their own conferences by going to: http://ptcfast.com/schools/Winslow_High_School. There is also a link on the school's webpage (<http://whs.aos92.org>).

Once at the scheduling website, select all of your child's teachers. Once you enter a little information (Child's name, Your name, email address, etc.), you will be sent a confirmation email. Once you click the link in the email, you will be given access to the teacher's schedule and will be able to pick the times of your conferences.

We are hoping that this will eliminate long lines while waiting to conference with the teachers. However, if you would like to pop in on either of these nights to see if they are available, you are still able to do so.

If you do not have Internet access and would like to schedule a meeting with your child's teacher, please call the office, and your appointments will be scheduled for you.

Parent/Teacher conferences are an excellent opportunity to develop and maintain relationships with your child's teachers. Each conference is limited to 10 minutes to ensure that all parents will be able to meet with all teachers.

Some might question why Winslow High School holds parent teacher conferences at the mid quarter. We find that it gives our staff an opportunity to address any issues with those students who may be in trouble academically. It also gives parents an opportunity to discuss their concerns with their child's teacher early enough to move a plan into action.

As always, our teachers are available to discuss your child at anytime during the school year. Whether it be by calling the school, or emailing (addresses are on the school's website), our teachers are available to talk with you.

Sincerely,

Chad M. Bell
Principal
